Religion and Revelation after Auschwitz (Paperback)

By Balazs M. Mezei

Religion After Auschwitz is a philosophical approach to the notion of revelation. Following such authors as A. Dulles, R. Swinburne, or K. Ward, Balazs Mezei investigates some of the main problems of revelation and connects them to the general problem of religion today. Religion is considered in the perspective of the age after Auschwitz, an expression coined by Hans Jonas and further elaborated by J. B. Metz. Mezei develops the insights of these philosophers and investigates various aspects of religion and revelation after Auschwitz: contemporary theistic philosophy, phenomenology, art, mysticism, and the question of university education today. A fascinating amalgam of subjects and approaches, Religion and Revelation After Auschwitz is an important contribution to contemporary discussions on the possibility of Catholic philosophy.

Reviews

It is easy in read through easier to fully grasp. it had been written very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.

-- Miss Marge Jerde

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.
